Contact: Terry Robinson 21 Bakewell Drive Stone Staffs ST15 8YR Home 01785 816666 Mobile 07825 917857 [terry.c.robinson@btinternet.com](mailto:terry.c.robinson@btinternet.com)

A small DRS depot set somewhere in the West Midlands. DCC Sound operated by Gaugemaster.

Modeller's license allows all types of DRS locomotives that may have used the depot throughout the period, occasional interlopers calling for fuel or even coal and water.

As all my layouts but a lot of fun.....
